Dear Mr. Stewart:

I received your letter of May 1st written with respect to a certain employee of the Warren Commission - that is, Mr. Norman Redlich.

Inasmuch as I have no information about Mr. Redlich, I am unable to answer your letter.

I am, however, sending your communication together with a copy of this reply to Mr. J. Lee Rankin, Counsel of the Warren Committee, with the request that to the extent possible he furnish you with the information which you requested.

Sincerely yours,

Frank J. Lausche
